Walashek Industrial and Marine, Inc. Wins National Award for Excellence in Safety

The AEU Safety Awards program recognizes the strongest safety programs in the maritime industry

Norfolk, Virginia – Walashek Industrial and Marine, Inc. (“Walashek”), a major provider of marine and industrial repair and fabrication services, announces it has been awarded a 2023 AEU Safety Award for the company’s strong commitment to safety in the workplace.

The American Equity Underwriters, Inc., the leading provider of workers’ compensation for waterfront employers, presents the AEU Safety Awards each year to its best performing members nationwide.

Taylor Grant, President stated “We are so thrilled to be recognized again by AEU for safety excellence. Safety is one of Walashek’s core values, and it’s great to see those core values permeate throughout the organization. It takes a dedicated effort of every team member, every day to make this happen.”

Eligibility for the awards is based on the frequency and severity of workers’ compensation incidents for the prior calendar year, as well as safety-related metrics determined by AEU’s loss control team.

"Receiving the AEU Safety Award illustrates a member’s excellence in safety," said Jimmy Burgin, AEU's senior vice president and director of loss control. "This achievement speaks volumes about the steadfast dedication of every employee within an organization. From supervisors to frontline personnel, their tireless efforts in maintaining a top-tier safety program truly set them apart in the maritime industry."
